Reminders

- A COVID-19 test is required for you to be able to have your planned surgery, procedure or test.
- No appointment is needed for this drive-through testing site.
- Please bring a photo ID with you to the testing site.
- You will stay in your car to be tested.
- The caregiver doing the test will wear a clean set of gloves and some protective gear to stay safe while doing the test.

If you have any questions, please contact your provider or clinic.
